

# 2020: The Davy UK Impact

# 2020: A challenging year

- CCUC Income for the period dropped by 40%.
- A shortfall of £126k in fundraising. This is more than amount needed to cover CCUC supported staff roles at Unit (*Nursing, Play Specialist, Research, Psychology, Teenage Support...*).
- No physical events & scheduled fundraisers - cancelled CCUC Stormont Mile & bi-annual Golf Classic. Efforts to develop & move activity online.
- No contact with families or access to the Unit.
- Shortage in toys / supplies for kids at CCU, due to access & lack of office collections.

7 Million Step Challenge  
Stephen, Matt, John & Marty Mourne Challenge!

Some of what we continued to do...

Thanks to support from Davy UK!

- Provided additional PPE / hand sanitisers for staff during pandemic.
- Provide more children with CCUC Robots to get back into the classroom.
- Cancer didn't cancel Christmas - festive spirit & Santa still came to the Unit! (Not quite the same, but he was never going to miss this stop!)
- Families enjoyed a festive show at the MAC - a special event giving families a break from isolation and some fun.

*"The care packages we received from Davy UK were such a welcome treat on what was a really busy and stressful day. It reminded us take a minute and reset, so we could continue to look after our young patients, as well as ourselves."*

*"The gifts themselves were fab, but it was equally encouraging to know that others were thinking about us too."*

# What else...

**Our team was supported during the most difficult time in their careers.**

**More and more children continued to ring that bell!**

# Thank you, Davy UK!
